II. Eligibility

A. Player must be entered on roster form provided by Decatur Parks and Recreation. Form must be completed and turned in with entry fees by **March 8, 2010**. Teams that have not turned in a signed roster in by the deadline will be placed in the highest division. Any rosters turned in after the deadline will be charged at a rate of \$1 /player as will all other player additions. Any games played after this date by teams who have not turned in signed rosters shall be considered forfeits. There is no maximum number of players a team can have on its roster.

- B. All players must be 16 years of age as of January 1, 2010 to participate in league play.
- C. Before a new player is eligible to play, a \$1.00 addition fee per player must be included with a roster addition form filled out, signed and presented to the League Director before the start of the game. New players must be added **before the last regularly scheduled league game.**
- D. Once a player has played in a league game on one independent team, that player becomes ineligible to play on any other team in the independent league during that season. Any games played with ineligible players are subject to be forfeited.

III. Forfeit

- A. Teams must be able to field a team of at least (9) players (when the 10th player arrives, he/she will be added to the bottom of the line-up and be allowed to play) all wearing the appropriate matching shirts with permanent numbers (not to be duplicated) when their scheduled field becomes available. **Teams will be allowed 15 minutes after their 6:15pm scheduled time to field the adequate number of players. (These 15 minutes will be deducted from the allotted 1 hour time limit.) On all other game times (7:15pm, 8:15pm & 9:15pm) teams will not be given this 15 minute grace period. Failure of a team to be ready to play within five minutes after their scheduled time or when their scheduled field becomes available will constitute a forfeit. Failure of both teams to be ready to play will result in a double forfeit. There will be no exceptions to this rule.**
- B. Time limit of 1 hour will be set for all league games. The inning in progress at the end of the limit will be completed. Tied games will continue on full inning basis until tie is broken.
- C. **MEN INDEPENDENT ONLY** If a team forfeits game(s) on three different nights during the season, that team will not be permitted to complete the season or participate in the league tournament.
- D. Line-up must be turned in to the scorekeeper a minimum of 10 minutes before scheduled game time.

IV. Protest

- A. A protest must be declared to the home plate umpire immediately following the disputed play, before the next pitch. Protesting team must pay a Ten Dollar (\$10.00) protest fee to the complex manager. The umpires and complex manager will constitute the protest committee and will rule on the protest. If you wish to appeal the decision, notify the complex manager and home plate umpire that the game will be continued under protest. League Director will review the appeal and make the final decision.
- B. Protest on player eligibility
1. **PRIOR TO THE GAME:** If a player is protested, he/she must provide a picture ID or he/she will not be permitted to enter the game. If he/she has proof of ID, he/she may participate. The protesting team may require the game to be played under protest if they think the player does not work for the company or attend the church for which he/she is playing. The League Director will contact the church or company for verification and then rule on the protest.
 2. **DURING THE GAME:** If a player is protested, he/she must be able to show a picture ID or the game will automatically be forfeited. If a player has ID, the game will continue under protest as above.
 3. **THERE WILL BE NO PROTESTS ONCE THE GAME HAS ENDED.**
 4. **Men's Industrial Only: No player will be allowed to participate unless properly checked in by showing proof of full-time employment to complex staff before game. Game may be forfeited at anytime during a game if there is a player participating that has not properly checked in. If the complex staff, umpires and or scorekeepers have reason to question a player's identity or that the player is participating under a false name the player may be asked to show a picture ID. If the player refuses or can not show a picture ID at that time the game will be forfeited.**
- C. If a protest is upheld, the protest fee will be refunded.
- D. Any team protested legally and is found to have an ineligible player will be warned. If such offense occurs again the team will be removed from the league and not be allowed to participate in the league tournament. No refunds will be given to the team.

- E. Any player protested legally and is found to be ineligible for that team will be removed from the league and not allowed to return to his/her legal team. If said player was never on a team legally he/she now becomes ineligible for all teams in that league.
- F. All games played with ineligible player(s) that have been removed by the League Coordinator are subject to be forfeited without protest.

V. EJECTED PLAYERS

- A. Ejection from a game by an umpire for disciplinary reasons may be for the remainder of the game, the next game, the next two (2) games or for the remainder of the season. The degree of severity of the penalty will be determined by the official(s) involved, the Officials' Board and the League Director.
- B. Any player or coach/manager ABUSING an official, scorekeeper or staff verbally or physically will be removed from the game and the league for at least the remainder of the season. If it is determined that this act was team oriented, the above applies for the entire team.**
- C. Any player that is repeatedly ejected for disciplinary reasons will be suspended from play with all teams he/she participates with for the remainder of the season.
- D. Profanity will not be tolerated. Players will be ejected. If the profanity is directed to umpires, complex staff or scorekeepers the player or players may be suspended from the park for one year. For the purpose of our league "profanity" will be defined as any word that would not be used in a Sunday School Class.**

VI. Home Run Rule

A limit of over-the-fence home runs will be used in all men's and coed slow pitch leagues. The following limitations are per team per game:

- | | | |
|------|--------------------------------------|-----------|
| A. | Men's Church Division I | Six (6) |
| | Men's Church Division II | Three (3) |
| | Men's Church All Other Divisions | One (1) |

| B. | Men's Industrial Division I | Six (6) |
| | Men's Industrial Division II | Three (3) |
